EDUCATION

KalaiginarKarunanidhi Institute of Technology, Kannampalayam, Coimbatore,6414022024 – 2028

B.E. Computer Science and EngineeringCurrent CGPA: 8.60/10.0

Coursework: Computer Architecture, Computer Networks, Operating Systems, Database Management Systems

EXPERIENCE:

- MERN Stack Development Intern, Appin Technologies(June 2026)
- Built web applications using MongoDB, Express.js, React.js, and Node.js.
 - Learned to create RESTful APIs and connect them with a React frontend.
 - Practiced Git and GitHub for version control and collaboration.
- Titan Company Ltd. — SAP Systems Intern(May 2026)
- Assisted in SAP-based business process workflows.
 - Worked with enterprise resource planning modules.
 - Collaborated with engineers to understand manufacturing operations.

PROJECTS:

- Digital Platform for Browsing and Purchasing Books:
- Tech Stack: HTML, CSS, JavaScript, React.js, Node.js, MongoDB
- Developed a full-stack web application enabling users to browse, search, and purchase books online.
 - Built a responsive React.js frontend with a clean UI using HTML, CSS, and JavaScript.
- VoteMithra – Intelligent Election Assistant | [Live Demo](#)
- Tech Stack: React.js, Vite, Tailwind CSS, Firebase, Google Gemini 2.5 Flash API, Google Cloud Run
- Developed an AI-powered civic-tech platform deployed on Google Cloud Run using React, Firebase and Gemini API.
 - Integrated Google Gemini 2.5 Flash with a 3-model fallback chain powering a multilingual AI Voter Coach (6 Indian languages), Fake News Detector with credibility scoring, and an interactive EVM & VVPAT Simulator.

TECHNICAL SKILLS

C	Java	HTML	JavaScript	Node.js
C++	Python	CSS	Git	GitHub
MySQL	React.js	DSA	MongoDB	

CERTIFICATIONS & COURSES

Coursera-Crash Course on Python	Link 2025
Infosys Springboard- Artificial Intelligence	Link 2025
Coursera- Web development	Link 2025
CISCO Introduction to Modern AI	Link 2026
NPTEL Programming in Java	Link 2026
Microsoft Azure AI Apps & Agents Associate	Link 2026

COMPETITIVE PROGRAMMING:

Codeforces: [GURUX](#) | Max rating - **920** | Position: Newbie | Solved problems: **50+**
Leetcode: [guru 2007-GP](#) | Max rating - **1505** | Solved problems: **650+** | Badges: **5**
Codechef: [kit28csa049](#) | Max rating – **1337** | Position: **1 ★** | Problems:1000+ |**Contest attended: 57+**

ACHIEVEMENTS:

- Top 10 Finalist** – AI for All Challenge (Factly × Meta × IndiaAI), 2026
- Participated in CCET HACKFEST 2025 and secured **7th place**.
- Achieved **rank 2** in a technical quiz conducted by NerdsAI.
- Secured **2nd Prize** in "NutriQuest" at Yugam 2026 Technical Fest, KCT.
- Ranked in **Top 15** of CodeXtreme 2024/25, a competitive programming contest organized by my college showcasing my skills.
- Earned the **“College Topper”** badge on Code360 (Coding Ninjas).
- Earned **20+ badges** across coding platforms.
